General terms

1. Please send your logo always in a high resolution file > min. 300 dpi / TIFF, JPEG or EPS.
2. Delivery terms 6-8 weeks after confirmation of the dial printing.
3. The dial printing costs are one-time costs. In case of a reorder of the customized dial, the printing costs are only recharged if the dial printing has changed (e.g. new colors, new logo, new fonts)
4. The compulsive engraving of the serial number and the addition "mb-microtec ag made for..." are free of charge.
5. Print sampling is available against surcharge.
6. Private Label orders are only produced against prepayment.

**Please send this form filled to:
info@traserh3watches.com or fax +41 31 980 20 21**

We gladly submit you an appropriate offer for your inquiry.

Thank you.
